Coach Comments

Besides a few minutes, we really played great defense. I thought we did a great job on helping in on their bigs and making everything tough on them. Offensively, we need to do a better job at running our offense and try to get the ball inside to our post players. That will open everything up for us. I was proud of how we fought until the last minute tonight. It is nice to have a few practices to get ready for a really good Kuemper team this Friday.
