Comments: Heelan lost all but one player from their team from last season. They are in the process of building a team from the ground up again, with most of their players playing for the first time this year.

Highlights: Owen Galvin's first serve was strong today. He is starting to control its power.

Adonay's groundstrokes, particularly his backhand, looked more solid today. He has improved quite a bit since last year.

Karson Schulz, a promising freshman, picked up his first varsity wins of his high school career. With his power, there will be many more in his future.
