215	Luis Chan	Carson Edney	LBMD 1-12
HWT	Garret Plagge	Jasper Hopkins	WBF (0:22)

Comments from head coach Nick Bradley:

This was our last home dual for the season. We want to thank our seniors Garret Plagge and Luis Chan for all the time, commitment, and leadership they have given to this program. They are both great young men and will be missed next year. We wish them the best of luck in their future endeavors. As for the duals tonight, we fought hard against LoMa. LoMa is a very tough team and we battled hard. We started off strong winning some matches and then we got outmatched later in the dual and ended up losing. We are proud of the fight we gave in each match. We then had Clarinda. This was a good H-10 victory for us. Clarinda gave away a lot of weights and that helped in the outcome of this dual. LC was our last opponent of the night. LC is a tough team as well. They have some really good wrestlers. I feel we came out a little flat and weren't ready for the dual like we were the other 2. We had a couple of wins in the middle of the lineup and gave up quite a few falls to LC in this dual. We have to stay mentally focused throughout the entire night if we want to beat teams like LC and LoMa. As coaches, we saw a lot of good things from our guys tonight. We are young and growing. We continue to learn and battle each time we step on the mat. We also had a lot of good compliments from fans about how much our guys have improved over the last 2 years. We are going to be tough in the next 2 years. Our guys need to stay the course in both the weight room and the wrestling room and they will see a ton of success soon.
