Comments from assistant coach Parker Preul :

This weekend the Monarchs traveled to Corning for a two day tournament at Southwest Valley Highschool. The Monarch Wrestlers came out of the weekend with zero placers. This is an extremely tough tournament. The team however wrestled a lot better than the results show. James lemon made it to day two of the tournament and wrestled very well to do so. Jackson Graeve made a lot of little improvements that he has been working on all year; Specifically on his bottom position. Garret Plagge showed some improvements on his feet that we have been hoping to see all year. This tournament on paper may not have turned out the way we would of liked; On the flip side though, there were a lot of highlights for individuals that are great to see as we edge closer to the Hawkeye 10 Tournament and Districts.
