Comments from the Monarch coaching staff:

The Monarch wrestling team was able to pick up a quad with North Polk, Knoxville and Winterset. We have never seen North Polk and Knoxville during the regular season. It was nice to compete against some different schools. The Monarch wrestlers continue to fight in each and every match. We still have to do a better job of making matches last a full six minutes. We have been in a grind the last few weeks with having to make weight and competitions 3-4 times a week. Everyone is ready for a little break. However, we have one more big meet this week. We have the Hawkeye 10 tournament on Saturday. I am very excited to see us compete in one of the toughest conference tournaments in the state. After this Saturday the goal is to rest and get ready for our last home dual and then districts.
