m head coach Parker Preul:

The Monarchs had a tough battle Thursday in Atlantic agaisnt Harlan Community and Atlantic. Some highlights from these match ups were James Lemon battling through two tough matches and coming out with two victories both of which were Win by Fall. Another thing that stood out was Jackson Graeve's matches. Jackson battled two tough opponents and came out 1-1 on the night. His one victory of the night coming from a Win by Fall against his Harlan opponent. The Monarchs had some tough battles throughout the night losing a few matches on lack of mat awareness. The coaching staff believes that improvements in situational awareness and getting the wrestlers to wrestle through key positions will help improve the win column for our wrestlers moving forward. The Monarchs are on the road again Saturday back down to Atlantic to wrestle in the Rollin Dyer Tournament.
