Comments from head coach Nick Bradley:		
<p>The Atlantic tournament is a very tough tournament. Some of the matches seen today will be state placing or state finals matches in February. I am proud of how hard our guys worked. We continue to learn each time we are on the mat. We still need to find a way to make matches a full six minutes. Jaxson Hildebrand was our lone finalist today. He had a great tournament. He finished second to a very tough CJ Carter from Glenwood. Jaxson also continued to up the school record today with most consecutive pins. He now holds the record of 12 consecutive pins. Congratulations to Jaxson on this accomplishment. The wrestlers will host a home dual next Tuesday against East Mills and Ridgeview.</p>
