Comments from head coach Nick Bradley:

Tonight was a great first night for our home duals. We wrestled tough. We came out a little sluggish in our first match and didn't pick up the pace until about halfway through the dual. We were able to close the gap, but we did it too late and lost by 3 to Cherokee. Our second dual against Sheldon was a great dual as well. We ended up tying the dual but won on criteria. We had more wins than they did. Sgt. Bluff is a very tough opponenet. They have quite a few state quality wrestlers. They were tough in all positons. However, we were able to pick up some good wins at 190, 215 and HWT. We had some guys out tonight due to sickness and a few guys got banged up during the dual. We need to take care of ouselves this week and manage our health to ensure we are competing at a high level all week. The boys see action again Thursday night in a triangular with Red Oak and St. Albert.
