Comments from head coach Nick Bradley :

The Monarch wrestling team learned a lot about who we are as a program today. We had quite a few guys finish in the top 6 and we finished 9th as a team. This is not where we wanted to finish as a team. We were sitting in the middle of the pack after round 1 and then we faltered mentally. We have several guys who have never had varsity experience and need to learn to manage their emotions, downtime between matches, and preparing for their upcoming match. As coaches, this will be a major focus for us this week to help us prepare for the MVAOCO tournament. As coaches, we saw guys utilizing moves that are being taught in the room. We are extremely proud about this. It shows that the boys listen and will implement the moves we are teaching. Coach Preul has 6-7 new moves that he will be showing this week. These moves are based on positions we were in during this tournament and didn't capitalize on. Joel Murillo was our highest finisher today with a 3rd place finish. Joel continues to grow as a wrestler. He has a natural wrestling style and is able to scramble with the best wrestlers. Jayden Bradley was our next highest finisher with a 4th place finish. Jayden was able to beat a tough Harlan opponent in sudden victory. This Harlan wrestler pinned Jayden last year in :42 seconds. Garret Plagge was our next placer in 5th. Garret continues to grow as a wrestler. Garret puts himself in position to win matches but sometimes comes up short.
