Comments from head coach Nick Bradley :

The Monarch wrestling team dropped several matches tonight that we should have won. We put ourselves in great position to win matches, but we just came up short. We must do a better job of winning early matches in a tournament to put ourselves into the finals. However, our boys did an outstanding job on the backside of the bracket. Most of our guys bounced back and were wrestling for 3rd place tonight. Again, we came up a little short in several of our placing matches. Our guys are good and they are learning a ton. They listen and are willing to grow as wrestlers. We have a loaded week this coming week with JV on Monday at SBL, home meets on Tuesday and Thursday, JV at Spencer on Friday, and then Varsity on Saturday at the Carroll tournament. Our guys will get a lot of live wrestling matches in this week. We will have to do a good job of managing our weight and our mentality with a tough week like this.
