The Monarchs traveled to Ames on Saturday for the District tournament. The Monarchs did not get anyone through to the State Tournament. This was a disappointing day for the team but overall we are looking forward to the future. The reason being is we have a lot of young guys on the team and they got to experience what this tournament felt like. We had some success throughout the day. The team wrestled well against some very tough competition. Jackson Graeve put himself in the 3rd and 4th place match with a chance to qualify. He ended up falling short in the match and placing 4th. The Monarchs will look to build off of this for next year and grow as a team in the off season.
