Comments from the Monarch coaching staff:

The district tournament for 2021-2022 is over. This is a tournament where emotions run high. Coach Brawner and I talked all week about controlling our emotions throughout this tournament. Our kids did a great job of handling their emotions and fought in each match. We are a young team this year. A lot of the guys we brought to the tournament were freshmen or sophomores. We knew going in we were going to have some tough draws because we had losing records. That didn't stop our kids from battling. I am so proud of the effort this team has put in all year. I want to thank our seniors for our of their hardwork over the last 4 years. We wish them the best of luck in their future endeavors. Jaxson Hildebrand was our only wrestler to make the state tournament this year. Jaxson had a great tournament. He was seeded #1. He had a bye in round 1. Round 2, Jaxson had a very strong Ankeny Centennial wrestler. We knew this match would be a battle. Jaxson controlled the tempo of the match and win 11-4. This put him in the finals against a tough Boone opponent. We knew the Boone opponent had a switch from the bottom position and was a left side legger on top. Jaxson was prepared for these two things. Jaxson got an early takedown and didn't look back. He controlled every situation in this match. Jaxson was able to win by major decision and put himself into the state tournament for the second straight year. Jaxson will wrestle Thursday at Wells Fargo Arena in Des Moines. The
